(3) INA grantees are encouraged, but not required, to submit a descriptive narrative with their annual reports describing the barriers to successful plan implementation they have encountered. This narrative should also discuss program successes and other notable occurrences that effected the INA grantee's overall performance that year.

(4) Each INA grantee may be required to submit interim reports on program participants and activities and/or program expenditures during the Program Year. Interim reports must be received no later than 45 days after the end of the reporting period.

§ 668.620 What performance measures are in place for the INA program?

Indicators of performance measures and levels of performance in use for INA program will be those indicators and standards proposed in individual grantee plans and approved by us, in accordance with guidelines we will develop in consultation with INA grantees under WIA section 166(h)(2)(A).

§ 668.630 What are the requirements for preventing fraud and abuse under section 166?

(a) Each INA grantee must implement program and financial management procedures to prevent fraud and abuse. Such procedures must include a process which enables the grantee to take action against contractors or subgrantees to prevent any misuse of funds. (WIA sec. 184.)

(b) Each INA grantee must have rules to prevent conflict of interest by its governing body. These conflict of interest rules must include a rule prohibiting any member of any governing body or council associated with the INA grantee from voting on any matter which would provide a direct financial benefit to that member, or to a member of his or her immediate family, in accordance with 20 CFR 667.200(a)(4) and 29 CFR 97.36(b) or 29 CFR 95.42.

(c) Officers or agents of the INA grantee must not solicit or personally accept gratuities, favors, or anything of monetary value from any actual or potential contractor, subgrantee, vendor or participant. This rule must also apply to officers or agents of the grantee's contractors and/or subgrantees. This prohibition does not apply to:

(1) Any rebate, discount or similar incentive provided by a vendor to its

customers as a regular feature of its business;

(2) Items of nominal monetary value distributed consistent with the cultural practices of the Native American community served by the grantee.

(d) No person who selects program participants or authorizes the services provided to them may select or authorize services to any participant who is such a person's husband, wife, father, mother, brother, sister, son, or daughter unless:

(1)(i) The participant involved is a low income individual; or

(ii) The community in which the participant resides has a population of less than 1,000 Native American people; and

(i) Recipients of financial assistance under WIA section 168 are prohibited from discriminatory practices as outlined at WIA section 188, and the regulations implementing WIA section 188, at 29 CFR part 37. However, this does not affect the legal requirement that all INA participants be Native American. Also, INA grantees are not obligated to serve populations other than those for which they were designated.

§ 668.640 What grievance systems must a section 166 program provide?

INA grantees must establish grievance procedures consistent with the requirements of WIA section 181(c) and 20 CFR 667.600.

§ 668.650 Can INA grantees exclude segments of the eligible population?

(a) No, INA grantees cannot exclude segments of the eligible population. INA grantees must document in their Two Year Plan that a system is in place to afford all members of the eligible population within the service area for which the grantee was designated an equitable opportunity to receive WIA services and activities.

(b) Nothing in this section restricts the ability of INA grantees to target subgroups of the eligible population (for

example, the disabled, substance abusers, TANF recipients, or similar categories), as outlined in an approved Two Year Plan. However, it is unlawful to target services to subgroups on grounds prohibited by WIA section 188 and 29 CFR part 37, including tribal affiliation (which is considered national origin). Outreach efforts, on the other hand, may be targeted to any subgroups.

§ 668.710 What planning documents must an INA grantee submit?

Each grantee receiving funds under WIA section 166 must submit to DINAP a comprehensive services plan and a projection of participant services and expenditures covering the two-year planning cycle. (2) The method the INA grantee will use to target its services to specific segments of its service population;

(3) The array of services which the INA grantee intends to make available;

(4) The system the INA grantee will use to be accountable for the results of its program services. Such results must be judged in terms of the outcomes for individual participants and/or the benefits the program provides to the Native American community(ies) which the INA grantee serves. Plans must include the performance information required by § 668.620;

(5) The ways in which the INA grantee will seek to integrate or coordinate and ensure nonduplication of its employment and training services with:

(b) Plans from INA grantees who are eligible for supplemental youth services funds must include their supplemental youth plans as part of their regular Two Year Plan.

(c) INA grantees must submit modifications for the second year reflecting exact funding amounts, after the individual allotments have been determined. § 668.740 How will we review and approve such plans?

(a) We will approve a grantee's planning documents before the date on which funds for the program become available unless:

(1) The planning documents do not contain the information specified in the regulations in this part and Departmental planning guidance; or

(2) The services which the INA grantee proposes are not permitted under WIA or applicable regulations.

(b) We may approve a portion of the plan, and disapprove other portions. The grantee also has the right to appeal the decision to the Office of the Administrative Law Judges under the procedures at 20 CFR 667.800 or 667.840. While the INA grantee exercises its right to appeal, the grantee must implement the approved portions of the plan.

(c) If we disapprove all or part of an INA grantee's plan, and that disapproval is sustained in the appeal process, the INA grantee will be given the opportunity to amend its plan so that it can be approved.

(d) If an INA grantee's plan is amended but is still disapproved, the grantee will have the right to appeal the decision to the Offices of the Administrative Law Judges under the procedures at 20 CFR 667.800 or 667.840.

§ 668.750 Under what circumstances can we or the INA grantee modify the terms of the grantee's plan(s)?

(a) We may unilaterally modify the INA grantee's plan to add funds or, if required by Congressional action, to reduce the amount of funds available for expenditure.

(b) The INA grantee may request approval to modify its plan to add, expand, delete, or diminish any service allowable under the regulations in this part. The INA grantee may modify its plan without our approval, unless the modification reduces the total number of participants to be served annually under the grantee's program by a number which exceeds 25 percent of the participants previously proposed to be served, or by 25 participants, whichever is larger.

(c) We will act upon any modification within thirty (30) calendar days of receipt of the proposed modification. In the event that further clarification or modification is required, we may extend the thirty (30) day time frame to conclude appropriate negotiations.

The service provider is not liable to any State or subdivision to collect or pay any sales, excise, use, or similar tax imposed upon the sale to or use by such deliverer of any property, service, or other item in connection with the operation of a center or other Job Corps program or activity. (WIA sec. 158(d).)

(b) If a State or local authority compels a center operator or other service provider to pay such taxes, the center operator or service provider may pay the taxes with Federal funds, but must document and report the State or local requirement according to procedures issued by the Secretary.

§ 670.950 What are the financial management responsibilities of Job Corps center operators and other service providers?

(a) Center operators and other service providers must manage Job Corps funds using financial management information systems that meet the specifications and requirements of the Secretary.

(a) Yes, Center operators and service providers are subject to Federal audits.

(b) The Secretary arranges for the survey, audit, or evaluation of each Job Corps center and service provider at least once every three years, by Federal auditors or independent public accountants. The Secretary may arrange for more frequent audits. (WIA sec. 159(b)(2).)

§ 670.965 What procedures apply to disclosure of information about Job Corps students and program activities?

(b) DOL disclosure of Job Corps information must be handled according to the Freedom of Information Act and according to DOL regulations at 29 CFR part 70.

(c) Job Corps contractors are not "agencies" for Freedom of Information

Act purposes. Therefore, their records are not subject to disclosure under the Freedom of Information Act or 29 CFR part 70.

(d) The regulations at 29 CFR part 71 apply to a system of records covered by the Privacy Act of 1974 maintained by DOL or to a similar system maintained by a contractor, such as a screening agency, contract center operator, or placement agency on behalf of the Job Corps.

§ 670.970 What are the reporting requirements for center operators and operational support service providers?

The Secretary establishes procedures to ensure the timely and complete reporting of necessary financial and program information to maintain accountability. Center operators and operational support service providers are responsible for the accuracy and integrity of all reports and data they provide.

§ 670.975 How is the performance of the Job Corps program assessed?

The performance of the Job Corps program as a whole, and the performance of individual program components, is assessed on an ongoing basis, in accordance with the regulations in this part and procedures and standards, including a national performance measurement system, issued by the Secretary. Annual performance assessments are done for each center operator and other service providers, including screening and admissions and placement agencies.

§ 670.980 What are the indicators of performance for Job Corps?

(a) At a minimum, the performance assessment system established under § 670.975 will include expected levels of performance established for each of the indicators of performance contained in WIA section 159(c). These are:

- (1) The number of graduates and rate of graduation, analyzed by the type of vocational training received and the training provider;
- (2) The job placement rate of graduates into unsubsidized employment, analyzed by the vocational training received, whether or not the job placement is related to the training received, the vocational training provider, and whether the placement is made by a local or national service provider;
- (3) The average placement wage of graduates in training-related and non-training related unsubsidized jobs;
- (4) The average wage of graduates on the first day of employment and at 6 and 12 months following placement,

analyzed by the type of vocational training received;

(5) The number of and retention rate of graduates in unsubsidized employment after 6 and 12 months;

(6) The number of graduates who entered unsubsidized employment for 32 hours per week or more, for 20 to 32 hours per week, and for less than 20 hours per week.

(7) The number of graduates placed in higher education or advanced training; and

(8) The number of graduates who attained job readiness and employment skills.

(b) The Secretary issues the expected levels of performance for each indicator. To the extent practicable, the levels of performance will be continuous and consistent from year to year.

§ 670.985 What happens if a center operator, screening and admissions contractor or other service provider fails to meet the expected levels of performance?

(a) The Secretary takes appropriate action to address performance issues through a specific performance plan.

(b) The plan may include the following actions:

(1) Providing technical assistance to a Job Corps center operator or support service provider, including a screening and admissions contractor;

(2) Changing the management staff of a center;

(3) Changing the vocational training offered at a center;

(4) Contracting out or recompeting the contract for a center or operational support service provider;

(5) Reducing the capacity of a Job Corps center;

(6) Relocating a Job Corps center; or

(7) Closing a Job Corps center. (WIA sec. 159 (f).)

§ 670.990 What procedures are available to resolve complaints and disputes?

(a) Each Job Corps center operator and service provider must establish and maintain a grievance procedure for filing complaints and resolving disputes from applicants, students and/or other interested parties about its programs and activities. A hearing on each complaint or dispute must be conducted within 30 days of the filing of the complaint or dispute. A decision on the complaint must be made by the center operator or service provider, as appropriate, within 60 days after the filing of the complaint, and a copy of the decision must be immediately served, by first-class mail, on the complainant and any other party to the complaint. Except for complaints under § 670.470 or complaints alleging fraud

or other criminal activity, complaints may be filed within one year of the occurrence that led to the complaint.

(b) The procedure established under paragraph (a) of this section must include procedures to process complaints alleging violations of WIA section 188, consistent with DOL nondiscrimination regulations implementing WIA section 188 at 29 CFR part 37 and § 670.995.

§ 670.991 How does Job Corps ensure that complaints or disputes are resolved in a timely fashion?

(a) If a complaint is not resolved by the center operator or service provider in the time frames described in § 670.990, the person making the complaint may request that the Regional Director determine whether reasonable cause exists to believe that the Act or regulations for this part of the Act have been violated. The request must be filed with the Regional Director within 60 days from the date that the center operator or service provider should have issued the decision.

(b) Following the receipt of a request for review under paragraph (a) of this section, the Regional Director must determine within 60 days whether there has been a violation of the Act or the WIA regulations. If the Regional Director determines that there has been a violation of the Act or Regulations, (s)he may direct the operator or service provider to remedy the violation or direct the service provider to issue a decision to resolve the dispute according to the service provider's grievance procedures. If the service provider does not comply with the Regional Director's decision within 30 days, the Regional Director may impose a sanction on the center operator or service provider for violating the Act or regulations, and/or for failing to issue a decision. Decisions imposing sanctions upon a center operator or service provider may be appealed to the DOL Office of Administrative Law Judges under 20 CFR 667.800 or 667.840.

§ 670.992 How does Job Corps ensure that centers or other service providers comply with the Act and the WIA regulations?

(a) If DOL receives a complaint or has reason to believe that a center or other service provider is failing to comply with the requirements of the Act or regulations, the Regional Director must investigate the allegation and determine within 90 days after receiving the complaint or otherwise learning of the alleged violation, whether such allegation or complaint is true.

(b) As a result of such a determination, the Regional Director may:

(1) Direct the center operator or service provider to handle a complaint through the grievance procedures established under § 670.990; or

(2) Investigate and determine whether the center operator or service provider is in compliance with the Act and regulations. If the Regional Director determines that the center or service provider is not in compliance with the Act or regulations, the Regional Director may take action to resolve the complaint under § 670.991(b), or will report the incident to the DOL Office of the Inspector General, as described in 20 CFR 667.630.

§ 670.993 How does Job Corps ensure that contract disputes will be resolved?

A dispute between DOL and a Job Corps contractor will be handled according to the Contract Disputes Act and applicable regulations.

§ 670.994 How does Job Corps resolve disputes between DOL and other Federal Agencies?

§ 670.995 What DOL equal opportunity and nondiscrimination regulations apply to Job Corps?

Nondiscrimination requirements, procedures, complaint processing, and compliance reviews are governed by, as applicable, provisions of the following Department of Labor regulations:

(a) Regulations implementing WIA section 188 for programs receiving Federal financial assistance under WIA found at 29 CFR part 37.

(b) 29 CFR part 33 for programs conducted by the Department of Labor; and

Authority: Sec. 506(c), Pub. L. 105–220; 20 U.S.C. 9276(c).

§ 671.100 What is the purpose of national emergency grants under WIA section 173?

The purpose of national emergency grants is to provide supplemental dislocated worker funds to States, Local Boards and other eligible entities in order to respond to the needs of dislocated workers and communities affected by major economic dislocations and other worker dislocation events which cannot be met with formula allotments.

§ 671.105 What funds are available for national emergency grants?

We use funds reserved under WIA section 132(a)(2)(A) to provide financial assistance to eligible applicant for grants under WIA section 173.

§ 671.110 What are major economic dislocations or other events which may qualify for a national emergency grant?

These include:

- (a) Plant closures;
- (b) Mass layoffs affecting 50 or more workers at a single site of employment;
- (c) Closures and realignments of military installations;
- (d) Multiple layoffs in a single local community that have significantly increased the total number of unemployed individuals in a community;

(e) Emergencies or natural disasters, as defined in paragraphs (1) and (2) respectively, of section 102 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5122(1) and (2)) which have been declared eligible for public assistance by the Federal Emergency Management Agency (FEMA); and

(f) Other events, as determined by the Secretary.

§ 671.120 Who is eligible to apply for national emergency grants?

(a) *For projects within a State.* A State, a Local Board or another entity determined to be appropriate by the Governor of the State in which the project is located may apply for a national emergency grant. Also, Indian tribes, tribal organizations, Alaska Native entities, Indian-controlled

organizations serving Indians, or Native Hawaiian organizations which are recipients of funds under section 166 of the Act (Indian and Native American Programs) may apply for a national emergency grant.

(b) *For inter-State projects.* Consortia of States and/or Local Boards may apply. Other private entities which can demonstrate, in the application for assistance, that they possess unique capabilities to effectively respond to the circumstances of the major economic dislocation(s) covered in the application may apply.

(c) *Other entities.* The Secretary may consider applications from other entities, to ensure that appropriate assistance is provided in response to major economic dislocations.

§ 671.125 What are the requirements for submitting applications for national emergency grants?

We publish instructions for submitting applications for National Emergency Grants in the **Federal Register**. The instructions specify application procedures, selection criteria and the approval process.

§ 671.130 When should applications for national emergency grants be submitted to the Department?

(a) Applications for national emergency grants to respond to mass layoffs and plant closures may be submitted to the Department as soon as:

(1) The State receives a notification of a mass layoff or a closure as a result of a WARN notice, a general announcement or some other means determined by the Governor to be sufficient to respond;

(2) Rapid response assistance has been initiated; and

(3) A determination has been made, in collaboration with the applicable Local Board(s) and chief elected official(s), that State and local formula dislocated worker funds are inadequate to provide the level of services needed by the workers being laid off.

(b) An eligible entity may apply for a national emergency grant at any time during the year.

(c) Applications for national emergency grants to respond to a declared emergency or natural disaster as described in § 671.110(e), cannot be considered until FEMA has declared that the affected area is eligible for disaster-related public assistance.

§ 671.140 What are the allowable activities and what dislocated workers may be served under national emergency grants?

(a) National emergency grants may provide adjustment assistance for

eligible dislocated workers, described at WIA section 173(c)(2) or (d)(2).

(b) Adjustment assistance includes the core, intensive, and training services authorized at WIA sections 134(d) and 173. The scope of services to be provided in a particular project are negotiated between the Department and the grantee, taking into account the needs of the target population covered by the grant. The scope of services may be changed through grant modifications, if necessary.

(c) National emergency grants may provide for supportive services to help workers who require such assistance to participate in activities provided for in the grant. Needs-related payments, in support of other employment and training assistance, may be available for the purpose of enabling dislocated workers who are eligible for such payments to participate in programs of training services. Generally, the terms of a grant must be consistent with Local Board policies governing such financial assistance with formula funds (including the payment levels and duration of payments). However, the terms of the grant agreement may diverge from established Local Board policies, in the following instances:

(1) If unemployed dislocated workers served by the project are not able to meet the 13 or 8 weeks enrollment in training requirement at WIA section 134(e)(3)(B) because of the lack of formula or emergency grant funds in the State or local area at the time of dislocation, such individuals may be eligible for needs-related payments if they are enrolled in training by the end of the 6th week following the date of the emergency grant award;

(2) Trade-impacted workers who are not eligible for trade readjustment assistance under NAFTA-TAA may be eligible for needs-related payments under a national emergency grant if the worker is enrolled in training by the end of the 16th week following layoff; and

(3) Under other circumstances as specified in the national emergency grant application guidelines.

(d) A national emergency grant to respond to a declared emergency or natural disaster, as defined at § 671.110(e), may provide short-term disaster relief employment for:

(1) Individuals who are temporarily or permanently laid off as a consequence of the disaster;

(2) Dislocated workers; and

(3) Long-term unemployed individuals.

(e) Temporary employment assistance is authorized on disaster projects that provide food, clothing, shelter and other humanitarian assistance for disaster

victims; and on projects that perform demolition, cleaning, repair, renovation and reconstruction of damaged and destroyed structures, facilities and lands located within the disaster area. For such temporary jobs, each eligible worker is limited to no more than six months of employment for each single disaster. The amounts, duration and other limitations on wages will be negotiated for each grant.

(f) Additional requirements that apply to national emergency grants, including natural disaster grants, are contained in the application instructions.

§ 671.150 How do statutory and workflex waivers apply to national emergency grants?

(a) State and Local Board grantees may request and we may approve the application of existing general statutory or regulatory waivers and workflex waivers to a National Emergency Grant award. The application for grant funds must describe any statutory waivers which the applicant wishes to apply to the project that the State and/or Local Board, as applicable, have been granted under its waiver plan, or that the State has approved for implementation in the applicable local area under workflex waivers. We will consider such requests as part of the overall application review and decision process.

(b) If, during the operation of the project, the grantee wishes to apply a waiver not identified in the application, the grantee must request a modification which includes the provision to be waived, the operational barrier to be removed and the effect upon the outcome of the project.

§ 671.160 What rapid response activities are required before a national emergency grant application is submitted?

(a) Rapid response is a required Statewide activity under WIA section 134(a)(2)(A), to be carried out by the State or its designee in collaboration with the Local Board(s) and chief elected official(s). Under 20 CFR 665.310, rapid response encompasses, among other activities, an assessment of the general needs of the affected workers and the resources available to them.

(b) In accordance with national emergency grant application guidelines published by the Department, each applicant must demonstrate that:

(1) The rapid response activities described in 20 CFR 665.310 have been initiated and carried out, or are in the process of being carried out;

(2) State and local funds, including those made available under section 132(b)(2)(B) of the Act, have been used

to initiate appropriate services to the eligible workers;

(3) There is a need for additional funds to effectively respond to the assistance needs of the workers and, in the case of declared emergencies and natural disasters, the community; and

(4) The application has been developed by or in conjunction with the Local Board(s) and chief elected official(s) of the local area(s) in which the proposed project is to operate.

§ 671.170 What are the program and administrative requirements that apply to national emergency grants?

(a) In general, the program requirements and administrative standards set forth at 20 CFR parts 663 and 667 will apply.

(b) Exceptions include:

(1) Funds provided in response to a natural disaster may be used for temporary job creation in areas declared eligible for public assistance by FEMA, subject to the limitations of WIA section 173(d), this part and the application guidelines issued by the Department;

(2) National emergency grant funds may be used to pay an appropriate level of administrative costs based on the design and complexity of the project. We will negotiate administration costs with the applicant as part of the application review and grant award and modification processes;

(3) The period of availability for expenditure of funds under a national emergency grant is specified in the grant agreement.

(4) We may establish supplemental reporting, monitoring and oversight requirements for national emergency grants. The requirements will be identified in the grant application instructions or the grant document.

(5) We may negotiate and fund projects under terms other than those specified in this part where it can be clearly demonstrated that such adjustments will achieve a greater positive benefit for the workers and/or communities being assisted.

(b) Except as otherwise provided, the definitions contained at subpart A of this part and section 2 of the Act apply to this subpart.

§ 652.201 What is the role of the State agency in the One-Stop delivery system?

(a) The role of the State agency in the One-Stop delivery system is to ensure the delivery of services authorized under section 7(a) of the Act. The State agency is a required One-Stop partner in each local One-Stop delivery system and is subject to the provisions relating to such partners that are described at 20 CFR part 662.

(a) In accordance with section 3(c)(3) of the Act, the State agency, as part of the One-Stop delivery system, must provide reemployment services to UI claimants for whom such services are required as a condition for receipt of UI benefits. Services must be provided to the extent that funds are available and must be appropriate to the needs of UI claimants who are referred to reemployment services under any Federal or State UI law.

(b) The State agency must also provide other activities, including:

- (1) Coordination of labor exchange services with the provision of UI eligibility services as required by section 5(b)(2) of the Act;
- (2) Administration of the work test and provision of job finding and

placement services as required by section 7(a)(3)(F) of the Act.

§ 652.210 What are the Act's requirements for administration of the work test and assistance to UI claimants?

(a) State UI law or rules establish the requirements under which UI claimants must register and search for work in order to fulfill the UI work test requirements.

(b) Staff funded under the Act must assure that:

(2) UI claimants requiring assistance in seeking work receive the necessary guidance and counseling to ensure they make a meaningful and realistic work search; and

(3) UI program staff receive information about UI claimants' ability or availability for work, or the suitability of work offered to them.

§ 652.211 What are State planning requirements under the Act?

The State agency designated to administer funds authorized under the Act must prepare for submission by the Governor, the portion of the five-year State Workforce Investment Plan describing the delivery of services provided under the Act in accordance with WIA regulations at 20 CFR 661.220. The State Plan must contain a detailed description of services that will be provided under the Act, which are adequate and reasonably appropriate for carrying out the provisions of the Act, including the requirements of section 8(b) of the Act.

§ 652.212 When should a State submit modifications to the five-year plan?

(a) A State may submit modifications to the five-year plan as necessary during the five-year period, and must do so in accordance with the same collaboration, notification, and other requirements that apply to the original plan. Modifications are likely to be needed to keep the strategic plan a viable and living document over its five-year life.

(b) That portion of the plan addressing the Act must be updated to reflect any reorganization of the State agency designated to deliver services under the Act, any change in service delivery strategy, any change in levels of performance when performance goals are not met, or any change in services delivered by State merit-staff employees.

§ 652.213 What information must a State include when the plan is modified?

A State must follow the instructions for modifying the strategic five-year plan in 20 CFR 661.230.

§ 652.214 How often may a State submit modifications to the plan?

A State may modify its plan, as often as needed, as changes occur in Federal or State law or policies, Statewide vision or strategy, or if changes in economic conditions occur.

§ 652.215 Do any provisions in WIA change the requirement that State merit-staff employees must deliver services provided under the Act?

No, the Secretary requires that labor exchange services provided under the authority of the Act, including services to veterans, be provided by State merit-

staff employees. This interpretation is authorized by and consistent with the provisions in sections 3(a) and 5(b) of the Act and the Intergovernmental Personnel Act (42 U.S.C. 4701 *et seq.*). The Secretary has and has exercised the legal authority under section 3(a) of the Act to set additional staffing standards and requirements and to conduct demonstrations to ensure the effective delivery of services provided under the Act. No additional demonstrations will be authorized.

§ 652.216 May the One-Stop operator provide guidance to State merit-staff employees in accordance with the Act?

Yes, the One-Stop delivery system envisions a partnership in which Wagner-Peyser Act labor exchange services are coordinated with other activities provided by other partners in

a One-Stop setting. As part of the local Memorandum of Understanding, the State agency, as a One-Stop partner, may agree to have staff receive guidance from the One-Stop operator regarding the provision of labor exchange services. Personnel matters, including compensation, personnel actions, terms and conditions of employment, performance appraisals, and accountability of State merit-staff employees funded under the Act, remain under the authority of the State agency. The guidance given to employees must be consistent with the provisions of the Act, the local Memorandum of Understanding, and applicable collective bargaining agreements.
